Ring Size Guide

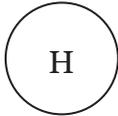

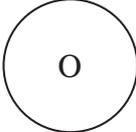

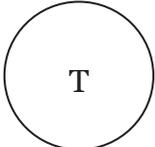

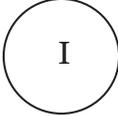

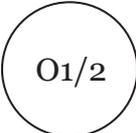

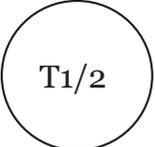

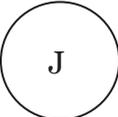

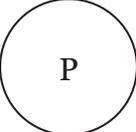

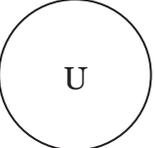

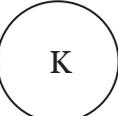

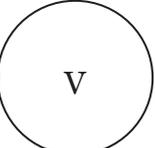

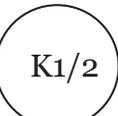

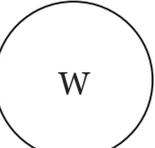

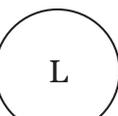

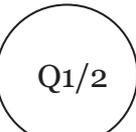

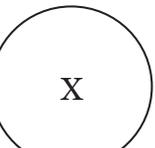

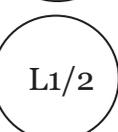

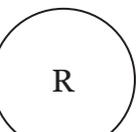

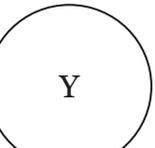

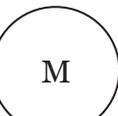

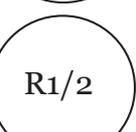

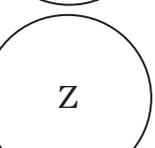

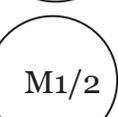

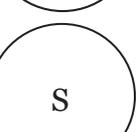

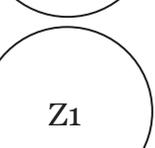

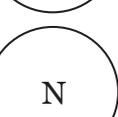

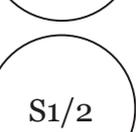

To print this document, select "File" from the menu above and then "Print". A window with various print options will then appear. These print options may vary depending on your computer. If the options include "Shrink oversized pages to paper size" and "Expand small pages to paper size" it is essential that these options are NOT ticked. If the options include "Fit to Page" it is essential that this option is NOT ticked. When you have printed this page, check that it has printed correctly by measuring the lines below

this MUST be 50mm long

or

this MUST be 2" long

The circles below indicate the INSIDE diameter of the ring. Place an existing ring over the circles to find out your correct size. The circle that fits the INSIDE of your ring is the right one. Please state the LETTER within the correct circle on your order. These letters are the standard UK ring sizes. Alternatively go to your nearest jeweller and have your finger sized by them.
